*If student does not place into ENGL-110 (or MATH-161) ENGL-105 or ENGL-106 (or MATH-098 or MATH-099) will be taken in the Fall semester, and ENGL-110 (or MATH-161) will be taken in the Spring semester, which will alter sequence.

** This assumes student can begin at the Intermediate Level. If student places at the Elementary Level, s/he must take the elementary classes during the freshman year, and they will count as 6 hours of general electives. The intermediate level classes will then be taken during the sophomore year.
